

*Official 2006 Race Results*

Dear ACLI Capital Challenge Participants:

Thanks for taking part in the 25<sup>th</sup> anniversary Capital Challenge. In addition to having a lot of fun and demonstrating that many people in Washington are extremely fit, we brought in over \$16,800, a new record, for DC Special Olympics.

ACLI (American Council of Life Insurers) is pleased to be the title sponsor of the Capital Challenge in cooperation with other race sponsors, ING, Northwestern Mutual, The Principal Financial Group, Swiss Re, Qwest Communications, *Roll Call* and *Running Times*.

Congratulations to Bart Gordon's "Mercenary Highlanders" the new fastest and fittest overall team who beached the Navy team this year; Senator Dick Lugar who finished his 25<sup>th</sup> straight having never missed a race; Senator, Chuck Grassley who broke his age 70 and over Captain record with a 27:54; and Representative Jane Harman who broke the 60-69 age group Women's Captain record with a 29:19 effort.

We appreciate the contributions and support of our Advisory Committee, the U.S. Park Police, the National Park Service, the staff at Anacostia Park, and the many enthusiastic volunteers who help put this race on.

And last we couldn't do it without the help of the Assistant Director, Henley Gabeau, Registration and Scoring Chief, BJ Blunt, Assistants to the Director, Margot Mohr Quinn and Carolyn Clarke, Volunteer Coordinator, Jane Walton, and other key staff, including Medical Director Maryida Klimowicz, M.D., Alyn Beauchamp, Irv Newman, Phil Stewart, Chris Tatreau, and Pam Balcke who work so hard each year behind the scenes on so many aspects of the race.

We are always interested in any comments you have on the race so feel free to contact Jeff Darman at: 110 East State Street, Suite 15, Kennett Square, PA 19348.

We distribute entries to team captains in late February. If you are not a captain and want to be added to the mailing, just drop Jeff a note.

See you next May!

Sincerely,

Jeff Darman

## Protecting and Investing for the Long Term.

To learn how life insurers are vital to the financial security of America, visit [www.acli.com](http://www.acli.com) for a copy of *Protectors and Investors: America's Life Insurers*.

For more than 200 years, life insurers have been helping American families secure their future. Our long-term commitments to families are matched by our long-term commitments to our nations' growth. Today, we and our nearly half million employees have \$4 trillion working in the U.S. economy—providing a leading source of long-term financing for roads, homes, schools and businesses that create jobs.

To choose the best overall team, however, all teams are merged. **Guests**, since they do not score for team, are normally deleted from results.
