

2002 SGMA Capital Challenge

Official 2002 Race Results

Dear SGMA Capital Challenge® Participants:

Thanks for taking part. In addition to having a lot of fun and demonstrating that many people in Washington are extremely fit, we raised \$10,000 for DC Special Olympics.

Congratulations to the Navy, the fastest and fittest overall team, all the division and individual winners, Senator Dick Lugar who finished his 21st straight having never missed a race, Judge James Baker who set a new Judicial record of 17:06 and to Emily Harris (NPR) who broke the female electronic journalist record with a 22:11.

A special thanks to SGMA (Sporting Goods Manufacturers Association) our title sponsor and to Fannie Mae, Deer Park Natural Spring Water, *Roll Call* and *Running Times* whose continued sponsorship means so much to the success of the race.

We appreciate the contributions and support of our Advisory Committee, the U.S. Park Police, the National Park Service, the staff at Anacostia Park, and the many enthusiastic volunteers who help put this race on.

And last we couldn't do it without the help of the Assistant Director, Henley Gabeau, Registration and Scoring Chief, BJ Blunt, Assistant to the Director, Rachael Smith, and Volunteer Coordinator, Jane Walton who work so hard each year behind the scenes on so many aspects of the race.

We are always interested in any comments you have on the race so feel free to contact Jeff at: 110 East State Street, Suite 15, Kennett Square, PA 19348.

We mail out entries to team captains in late February. If you are not a captain and want to be added to the mailing, just drop Jeff a note.

See you next May!

Sincerely,

Jeff Darman

Scoring Note: Teams are scored against runners in their own division only, points above reflect that. That is, it is as if there are six separate races happening simultaneously (Senate, House, Executive, Print Media, Electronic Media, Judicial). To choose the best overall team, however, all teams are merged. Guests, since they do not score for team are deleted from results.
