Dear ACLI Capital Challenge Participants:

Thanks for taking part. In addition to having a lot of fun and demonstrating that many people in Washington are extremely fit, we raised over \$13,000 for DC Special Olympics.

ACLI (American Council of Life Insurers), is pleased to have joined the Capital Challenge as title sponsor in cooperation with other race sponsors, American Express Financial Services, Northwestern Mutual, Prudential Financial, Swiss Re, FannieMae, Saucony, Roll Call, Running Times and Chubb.

Congratulations to the Navy, the fastest and fittest overall team again, all the division and individual winners, Senator Dick Lugar who finished his 23rd straight having never missed a race; Deanna Okun (Chairman, International Trade Commission) who set a new female Agency Head record of 24:58; and to Teri Schultz (Fox News) who broke her female electronic journalist record with a 21:33.

We appreciate the contributions and support of our Advisory Committee, the U.S. Park Police, the National Park Service, the staff at Anacostia Park, and the many enthusiastic volunteers who help put this race on.

And last we couldn't do it without the help of the Assistant Director, Henley Gabeau; Registration and Scoring Chief, BJ Blunt; Assistant to the Director, Margot Mohr Quinn; Volunteer Coordinator, Jane Walton; and other key staff, including Maryida Klimowicz, M.D., Alyn Beauchamp, Irv Newman, Phil Stewart, Chris Tatreau, Nancy Betress, and Pam Balcke who work so hard each year behind the scenes on so many aspects of the race.

We are always interested in any comments you have on the race so feel free to contact Jeff Darman at: 110 East State Street, Suite 15, Kennett Square, PA 19348.

We distribute entries to team captains in late February. If you are not a captain and want to be added to the mailing, just drop Jeff a note.

See you next May!

Sincerely,

Jeff Darman

Scoring Note: Teams are scored against runners in their own division only, points above reflect that. That is, it is as if there are six separate races happening simultaneously (Senate, House, Executive, Print Media, Electronic Media, Judicial). To choose the best overall team, however, all teams are merged. Guests, since they do not score for team, are deleted from results. Ties are broken by last runner on team to finish.
