Dear SGMA Capital ChallengeSM Participants:

Thanks again for taking part. In addition to having a lot of fun and demonstrating that many people in Washington are extremely fit, we raised \$11,600 for D. C. Special Olympics.

Congratulations to the FBI, the fastest and fittest overall team for the second year in a row, and to all the division and individual winners. Senator Kay Bailey Hutchison bettered her previous Senate woman's record. Rita Colwell, National Science Foundation; Director set a new 60+ captain record and Deb Jospin, Director of AmeriCorps, broke the old women's Sub-cabinet mark.

A special thanks to SGMA (Sporting Goods Manufacturers Association) our title sponsor and to Prudential, Deer Park and *Running Times* whose continued sponsorship means so much to the success of the race.

We appreciate the contributions and support of our Advisory Committee, the U.S. Park Police, the National Park Service, the many enthusiastic volunteers who help put this race on, and Jeff Galloway, our official "whistle blower".

And last we couldn't do it without the help of my Assistant Director, Henley Gabeau and assistant to the Director, B.J. Blunt, who both work so hard each year behind the scenes on so many aspects of the race.

We are always interested in any comments you have on the race so feel free to contact Jeff at: 2300 Ninth Street South, Suite 300B, Arlington, VA 22204.

We will mail out 1999 entries to team captains in late June. If you are not a captain and want to be added to the mailing, just drop Jeff a note.

See you next September.

Sincerely,

Jeff Darman
Director

Scoring Note: Teams are scored against runners in their own division only, points above reflect that. That is, it is as if there are six separate races happening simultaneously (Senate, House, Executive, Print Media, Electronic Media, Judicial). To choose the best overall team, however, all teams are merged. Guests, since they do not score for team are deleted from results.
